Sir Robert Falconer,

Dear Sir. —

We are very glad to learn from Mr. Turnbull, the Secretary of the Rotary Canadian Club, that you have kindly consented to speak also to the Women's Canadian Club on

Wednesday afternoon, April 2nd.

Will the subject be the same as that promised the men? And will you please let me know what hour would suit your convenience so that we may announce our meeting?

We are deeply grateful to you for your goodness in consenting to give us an address.—

I am

Yours sincerely—

Mary Abbs.

Dear Mrs. Abbs:

I hope to be able to speak to the Women's Canadian Club on Wednesday afternoon. I am hardly in a position, however, to say what the subject will be, though I think it will be somewhat different from what I give the men. Possibly I may take "The Cultivation of National Virtue" as my subject.

With kind regards, I am,

Yours sincerely,

President.
